## SOFTWARE DEVELOPER

**Portfolio:** nudiaver93.github.io

**Email:** navin.udiayer@gmail.com

**Phone:** 409.679.1533

**Address:** 9009 Great Hills Trail, #2424  
Austin, TX 78759

### Objective

To utilize my programming skills and project management experience in order to launch a career as a valuable asset for a company in the software industry.

### Education

**The University of Texas at Austin** | Class of 2016

Bachelors in Economics, Minor in Mathematics

Certificate in Full-Stack Web Development, The Coding Boot Camp at UT Austin

Elements of Computing Certificate, Department of Computer Science

Business Foundations Certificate, McCombs School of Business

### Skills

**Front End:** HTML, CSS, JavaScript, jQuery, Bootstrap, AJAX, RESTful API's

**Back End:** Node.js, Express.js, MySQL, MongoDB, PHP, React.js

**Miscellaneous:** Java, Ruby on Rails, Python, Heroku, Git/Version Control, MVC

### Experience

**Project Management Associate**, 180 Office Solutions (March 2016 – Present)

Assumed responsibility for large-scale commercial furniture projects by drafting proposals via CAD software in order to maximize profits and communicating with customers through the entire life cycle of these projects.

**Student Full-Stack Developer**, UT Austin Coding Boot Camp (April 2016 – October 2016)

Completed a rigorous six-month full stack web development program sponsored by The University of Texas at Austin. Actively studied front end and back end technologies in order to complete multiple assignments and projects, some of which can be found on my portfolio.

**Data Entry Specialist**, Pecan Street Insurance, December 2014 – May 2015

Calculated home and automobile insurance quotes for clients by using database and algorithmic software in order to analyze different criteria. Collaborated with eight major insurance companies.

**Director of Social Affairs**, Beta Chi Theta – UT Chapter (December 2014 – June 2015)

Executed multiple internal and external events for this fraternity, including the single most profitable event in chapter history, by working other organizations and businesses. Elected as the Best Executive Board Member by my peers for the 2014-2015 academic year.
